

We've had a great week at Northfield and have been very comfortable. We enjoyed the views, the garden, exploring the area and some of the many things it has to offer. Our trip to Edinburgh by train was brilliant and we loved the Scottish Deer Centre at Cupar. We especially enjoyed visiting the coastal villages. A big thank you to Margaret & Stephen for being so hospitable - we hope we will visit Northfield again. Holly and Meg are well cool! We all liked playing with them (Woof!)
